

Fire Risk Engineer
Kiwa IFC
Remote Working

Who are we? Kiwa! A global top 20 Testing Inspection and Certification (TIC) organisation.

Active in industries including energy, food, water quality, consumer products, and construction. With expert knowledge in these areas, we have Consultancy services specialising in Energy Construction and in the Agri-food arena.

About this business unit IFC Group - A specialist engineering consultancy delivering independent, honest and practical fire safety solutions to professionals across the built environment.

Help us grow, we are recruiting! We are looking for an experienced Fire Risk Engineer to provide support to the Kiwa IFC Fire Risk Management Team and the wider organisation in the delivery of client facing fire safety work. This role will support the Director of Fire Risk Management in the delivery of service excellence.

What will the role include?

- Ensure a faultless level of cooperation and collaboration to deliver the business objectives
- Provide fire risk management excellence to Kiwa IFC Customers
- Be the primary point of contact to Kiwa IFC Customers for the projects you deliver
- Effectively plan and deliver activities in accordance with Kiwa IFC and Kiwa IFC Client expectations
- Maintain best-in-class technical due diligence to protect customers, the business and society
- Ensure appropriate representation is provided at customer meetings
- Maintain an awareness of and act upon external factors (including competitors, industry developments, government business initiatives, current and proposed legislation changes) in relation to Fire Risk Management activities which impact the business

Do you have what it takes?

If you want to join a progressive team, are registered with an industry recognised third party accreditation scheme for fire risk assessors, and have relevant qualifications, you could make an impact to our Fire Risk Management Team.
