

Regulatory Update

08th July 2016

Vietnam – Implementation date of National Technical Regulation on lithium batteries confirmed to be 1st April 2017

Further to PCS Regulatory Update dated 23rd June 2016 regarding the delay in the implementation date of National Technical Regulation QCVN 101:2016/TTBTTTT on lithium batteries, it was announced on 5th July 2016 by the Ministry of Information and Communications (MIC) that this regulation will be effective from 1st April 2017. All Type Approval certificates granted before 1st April 2017 will remain valid until their expiry date.

Circular 05/2014/TT-BTTTT Regulation will be officially updated and local labs will be ready for testing before the effective date of QCVN 101:2016/TTBTTTT.

PCS will continue to monitor all developments and further updates will be provided once additional information is obtained.
